

Canalside to Camley Street Supplementary Planning Document Adoption Statement

In accordance with regulations 11 and 14 of the Town and Country Planning (Local Planning) (England) Regulations 2012(as amended) and Compulsory Purchase Act 2004 (as amended), this Adoption Statement gives notice that the London Borough of Camden resolved to adopt “Canalside to Camley Street” as a supplementary planning document (SPD) on 22nd November 2021.

The SPD provides additional information and guidance to support adopted planning policies with regard to the potential redevelopment of sites within the area covered.

In accordance with Section 23(1) of the Planning and Compulsory Purchase Act 2004(as amended), the Council modified the SPD to take into account representations made in relation to the document during the consultation that took place between 16th July and 25th September 2020, as well as other relevant matters.

As a supplementary planning document it will, where relevant, be a material consideration in the Council’s planning decision-making relating to this specific area of the borough.

In accordance with regulations 35 and 36 of the Town and Country Planning (Local Planning) (England) Regulations 2012(as amended), the SPD and associated documents, including this adoption statement and a consultation report, have been published on the Council’s website at:
