Please note if you decide to deregister your child/ren from Elective Home Education and are looking for a school place. You will need to put this in writing to ehe@camden.gov.uk

Camden School Admissions are not centralised, so therefore it is the parent's responsibility to secure a school place for their child/ren at a school. The schools hold the vacancy list, so therefore you would have to make in year applications to the schools directly or using the online system. We may not be aware which schools have vacancies, as the schools are fully responsible for this, and vacancy details can change quickly.

If you feel, you have been treated unfairly by a school, or they have not communicated with you in the way they should have, then there is an appeal process please find the link below for this.

Once you have appealed then you will be contacted regarding the next step:
