

Updates on Actions

Planning Together

Louise will send a poster for the new Emotional Regulation group with the minutes

Please email assistant psychologist Isobel if you are interested - isobel.doherty@camden.gov.uk

A member of the psychology team will then make contact in the coming weeks to see if the group is right for you.

Ellie from the Job Hub to speak to Eilis Woodlock and Paul Smith in CLDS about improving the Camden application process for disabled and neurodiverse people

• Ellie had a meeting with HR about this.

 It was a positive meeting with lots of suggestions taken forward by the team

We will invite someone from Camden's Adult Community Learning team to talk about the opportunities on offer and whether there is something more focussed they could do about supporting people with LD

The Adult Community Learning team are invited to this meeting

Lynette, Crina and Laura to speak about joining up adults and children's services, and think about a preparing for adulthood event

 Lynette updated there is a Preparing for Adulthood event on the 16 May 2024 at The Greenwood Centre

Anjalene to take the feedback about the Big Plan and write something up

- This has been completed. It would be good to redesign the Big Plan. Some ideas so far:
 - It would help to have some more numbers

 It should include more about health and wellbeing, and reducing isolation

 We need to think about all the different stages of life and how they link to each other

• What is the best way to hear from people, and make progress e.g. Planning Together, sub groups?

This was completed

Louise to send around the Peckwater petition and QR code (If you scan this with the camera on your smart phone it will lead to where you can put your name on the petition)

- This was completed
- The petition is here
- 20,983 have signed so far

Louise to send out poster for the IT coffee morning at Greenwood

- This was completed
- The IT coffee morning is every It's every Monday at 10am
