- 12 people are not in Supported Living and do not get Community Support

# Why do people not go to activities?

## Transport

7 people said they do not go because of transport

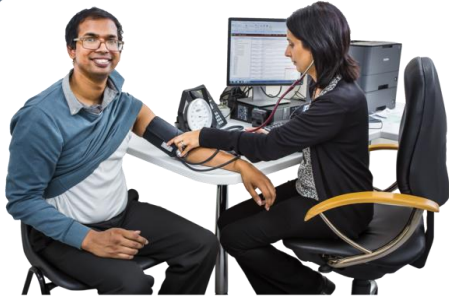

- 6 people said when transport is too crowded it makes them scared and anxious

- 2 people said sometimes there is no room for their wheelchairs

# Why can't people go to activities?

## Appointments

5 people said they do not go when they have appointments

- 2 people said they do not pick when their appointment is and go when the GP or hospital tells them to

- 3 people said they need support with their appointments so go when the staff is available even if it is during an activity

# Why can't people not go to activities?

## Feeling Unwell

8 people said they do not go when they feel unwell

- People said that when they are sick they do not go to activities

- 5 people said when they are feeling upset or anxious they do not go to activities

# Why can't people go to activities?

## Support

5 people do not go because they do not have the support

- 3 people said they have limited support hours and need to do other things when they get support, such as do chores

- 2 people said that sometimes their service does not have enough staff so they cannot go to an activity

- 2 people said that they do not go if their friends are not going because they do not like to go alone

# Why can't people go to activities?

## Other Reasons

7 people can't go to activities because they cannot find childcare

6 people said that cannot go to paid activities because they do not have the money
