

Updates on Actions

Planning Together

Feedback to be shared with the day opportunities review happening in the council

- Information has been shared with the team completing the day opportunities review
- Adult Social Care are working on an action plan, to help us develop day services in Camden.
- The action plan will be called 'I Would Like to...' and will be in place in the autumn
- The team would like to attend future Planning Together

Opportunities Planning Group to think about how they can feedback what people are asking for to the Adult Community Learning service.

- The Opportunities Planning Group are going to arrange a special meeting to look at the different opportunities in Camden
- We can also discuss Adult Community Learning in this meeting

Andrew to speak to Catherine to think about how more people with LD can attend the opportunities planning group

- Living a Good Life will continue to invite people to their own meetings
- We can offer reasonable adjustments to support this e.g. longer time slots, later times
- We have booked a room for all meetings so that people can attend in person if they would like to attend along with their Social Worker & / or carers
